

# Adobe Creative Cloud – TIGS Installation

Follow the guide below to install Adobe Creative Cloud on your device.

1. Remove any previous versions of Adobe Creative Cloud from your computer. Please follow the guide [here](#) to complete this process.
2. Download the [Creative Cloud installer](#) from the TIGS Portal -> Software -> Adobe Creative Cloud.
3. Once installed, open Creative Cloud and enter your **TIGS Email address** followed by the **Continue** button.

Students – username@tigs.com.au

Staff – username@tigs.nsw.edu.au

If you are asked to select an account type, please select **Company or School Account**.

4. You will be directed to the TIGS Portal. Enter your **TIGS Username and Password** followed by the **Login** button.

The screenshot shows the TIGS Portal login interface. At the top, the text 'TIGS Portal' is displayed in a large, blue font. Below this, a blue banner contains the text 'Log in to TIGS'. Underneath the banner, there are two input fields: 'Username' with the placeholder text 'TIGS Username' and 'Password' with a masked password '.....'. At the bottom right of the form, there are two buttons: 'Forgot Password?' and 'Login'.

You are now licensed to use Adobe Creative Cloud.
