

Dear Parent/Guardian

Re: Adobe Creative Cloud – Video Tools Install on Student BYOD Device

The Schools Adobe license agreement allows students to install the basic set of Adobe Creative Cloud applications onto their BYOD device free of charge. The School is also licensed to install the Adobe Creative Cloud Video Tools (Premiere and After Effects) on student BYOD devices at a cost of \$10 per install. Please complete the form below to obtain access to these additional applications.

Adobe Creative Cloud – Video Tools Agreement
(one form per student)

Class (where the video tools are required): _____

Class Teacher: _____

We agree that:

- The amount of \$10.00 is payable to the Finance Office prior to the software being installed.
- This is an annual subscription and will need to be renewed each year.
- The software will be installed by the ICT Department at an agreed upon date and time.
- The software must be uninstalled when the student is no longer enrolled at TIGS.

Student Details

Family Name: _____ First Name: _____ Year: _____

Signature: _____

Parent/Guardian Details

Family Name: _____ First Name: _____

Signature: _____

Please return the completed form to the Finance Office (F.1.3). The student will be contacted via their TIGS email address to organise an install date and time.

Yours sincerely

TIGS ICT Department
